Publication Policy

eco.mont – Journal on Protected Mountain Areas Research and Management publishes peer-reviewed research articles by authors who work on protected mountain areas and articles about management approaches within these areas.

eco.mont is published twice a year. We only accept previously unpublished articles (including on the internet). Manuscripts submitted for publication are blind peer-reviewed by a member of the editorial board (to ensure a good fit with the mission of the journal and the scientific quality) and independently by a peer (to guarantee the scientific quality).

Article processing fee: non-mandatory charges are levied for papers published in eco.mont to help defray production costs. Authors, especially those with institutional and grant support, are urged to take all reasonable steps to pay the charges. The article processing charge is currently EUR 400 per article.
